To Nacer Grande Montessori students, your curiosity and growth inspired this work.

To my past students, you gave me the confidence to write as I watched you learn to read.

To my beloved husband and our children, your love and support mean everything to me.

To my family, my mom and mother-in-law, I appreciate your love and continued belief in me.

To my dear friends Ojugo, Favour, Allchi, Queen, Joy, and Debby, your endless encouragement made this possible.

Preface

By Brian Benjey

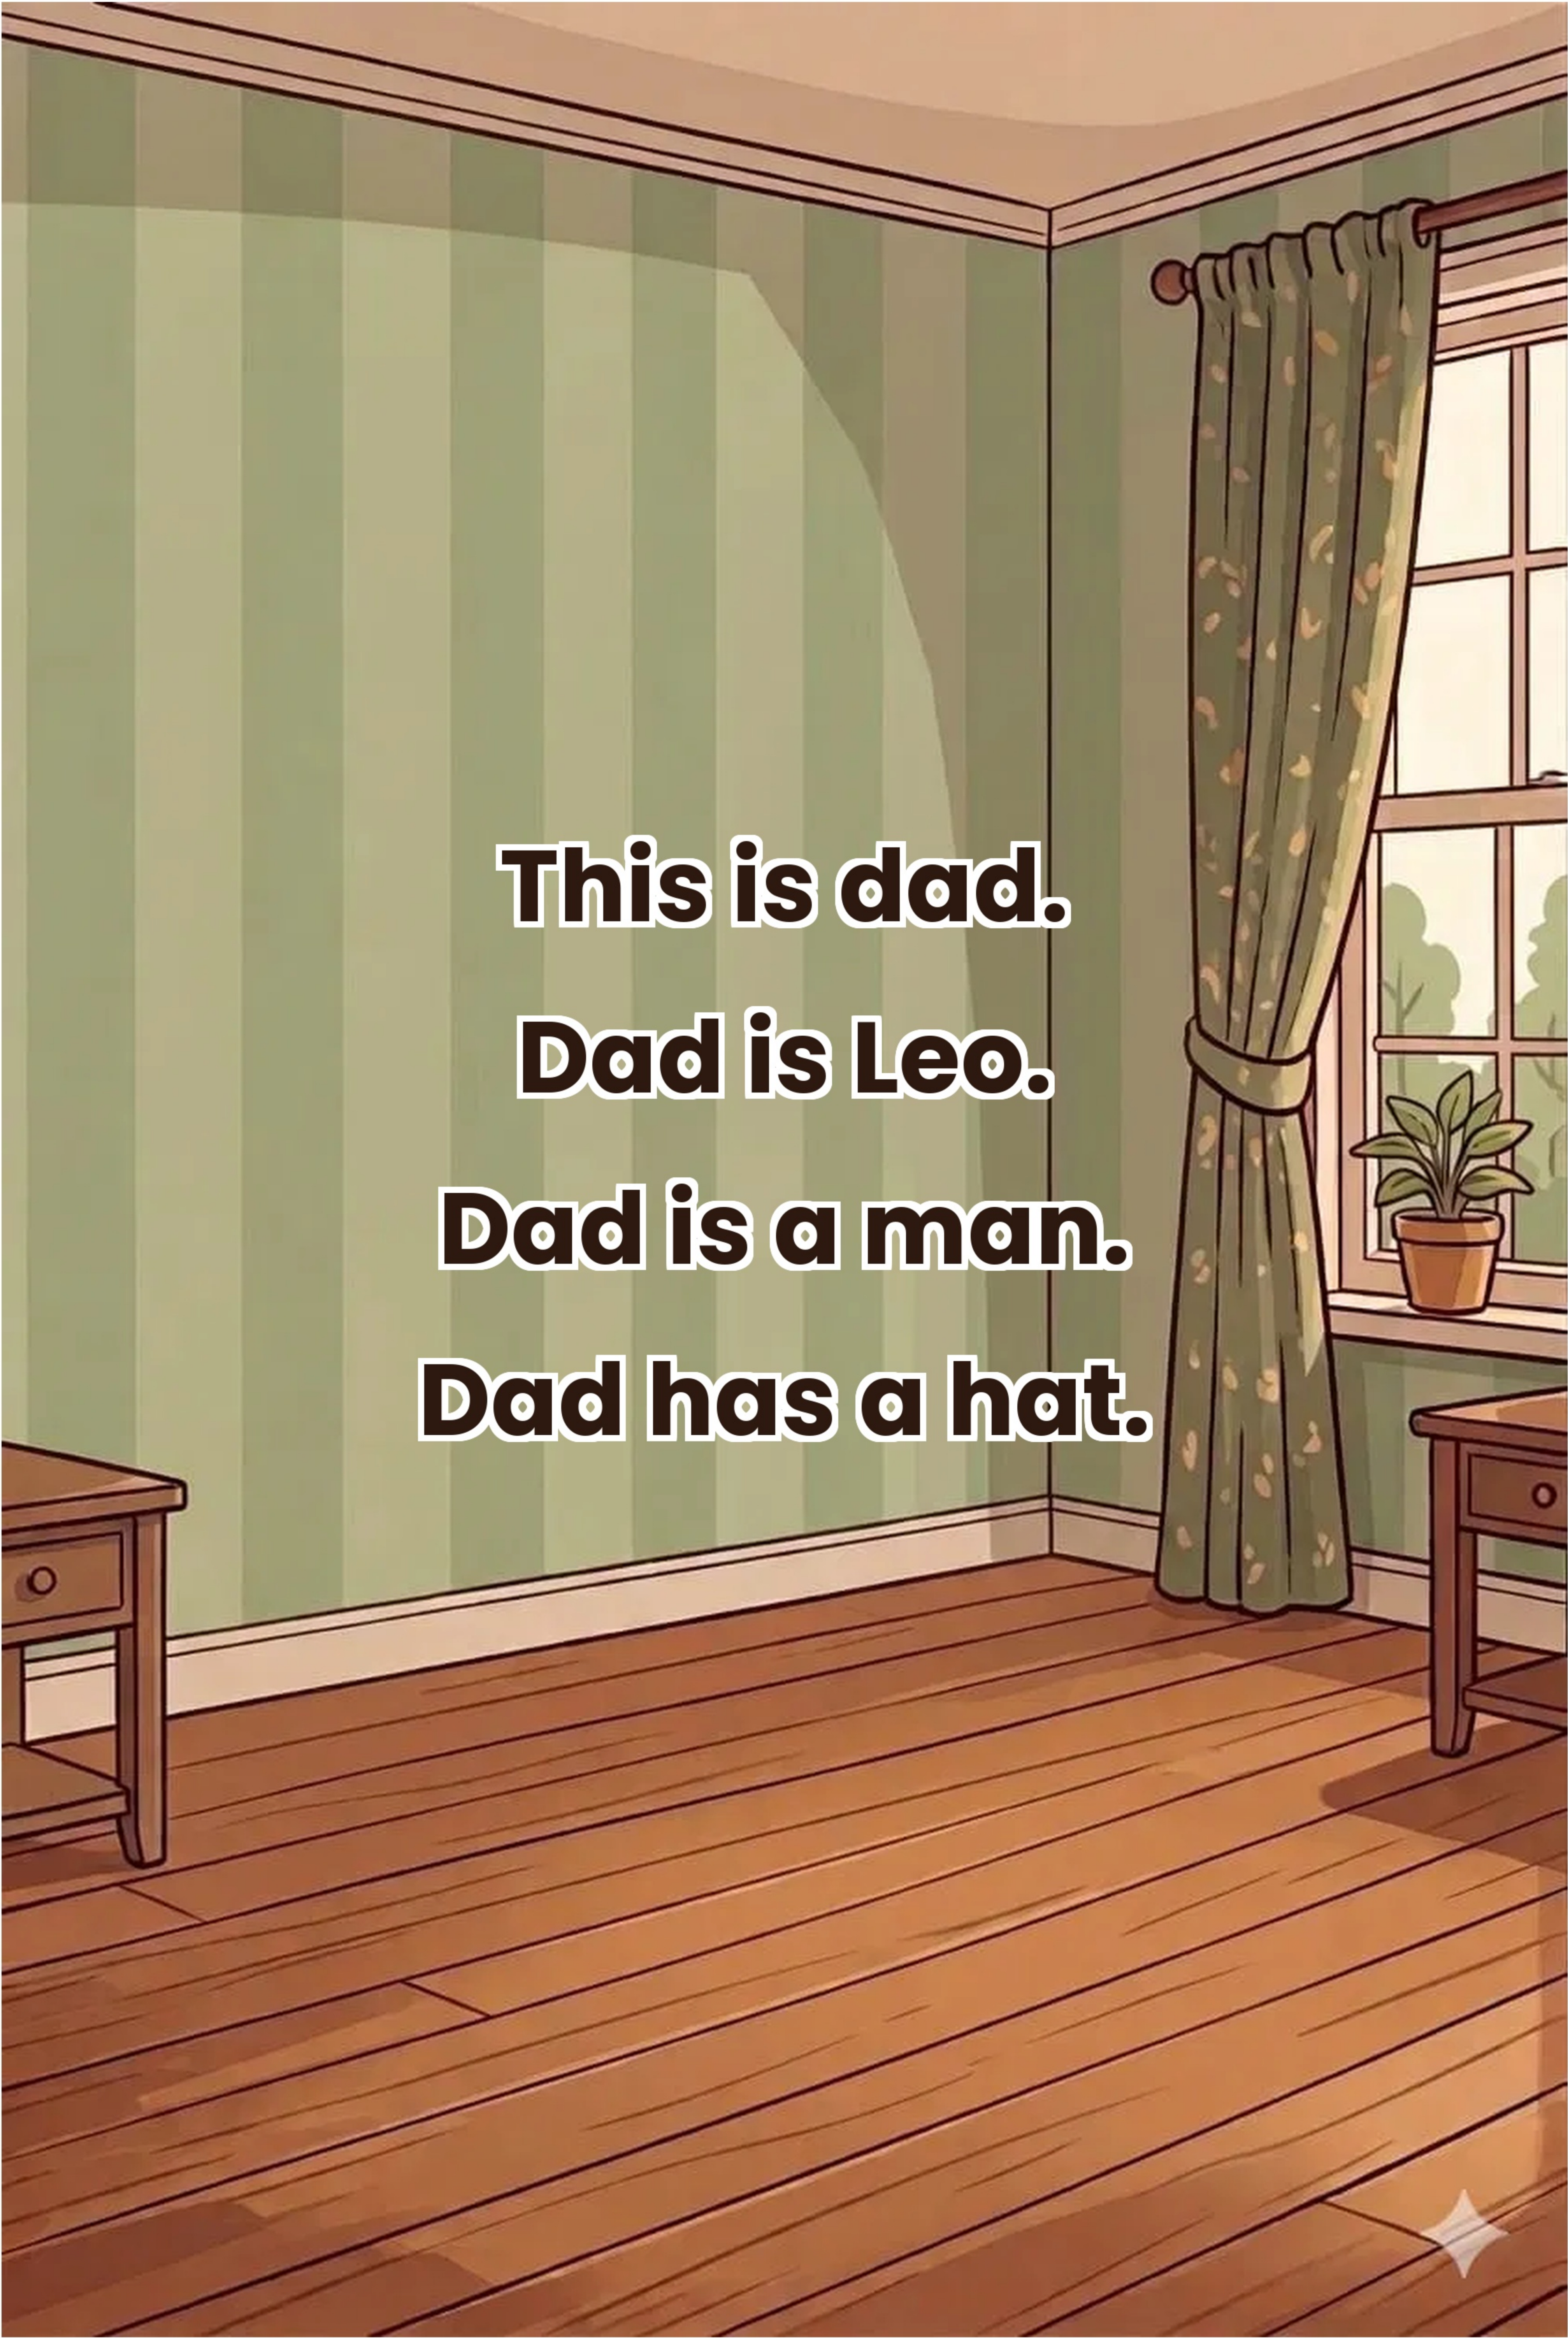

Learning to read is a special and exciting journey for every child. Easy to Read Book 1 and Book 2 are designed to make that journey simple, fun, and meaningful.

Book 1 introduces early readers to easy 2- and 3-letter CVC words, helping them build confidence as they begin to read on their own.

Book 2 builds on this foundation by introducing blends, guiding children toward smoother and more fluent reading.

These books support both children and the adults who read with them, creating moments of learning, connection, and joy.

May every page inspire a growing love for reading.
