# Dedication

To all Ndi Igbo and lovers of Igbo culture, working tirelessly to preserve our heritage.

To families in the diaspora who desire for their children to speak and embrace the Igbo language.

To children of Igbo origin born abroad, eager to learn and connect with their roots.

To my husband, for his love, support, and appreciation of my culture.

To all the teachers who have shaped our lives and made us who we are today.

And above all, to God Almighty, for grace, strength, and inspiration. 💖

# Preface

Welcome to Learn Igbo with Ms Oma 🌿📖

This book was created from a place of love, love for children, love for learning, and a deep passion for preserving and celebrating the beauty of the Igbo language and culture.

In a world where many of our indigenous languages are gradually fading, it has become more important than ever to intentionally pass them on to the next generation.

With over 18 years of experience in early childhood education, I have seen firsthand how children learn best, through play, repetition, storytelling, music, and meaningful everyday interactions. This book is designed with all of that in mind. It introduces simple, practical Igbo words and phrases that children can easily relate to and use in their daily lives.

Learn Igbo with Ms Oma goes beyond just words. It is a journey into culture, expression, and connection. Through fun illustrations, familiar family settings, and engaging scenarios, children are encouraged not only to learn but to speak, explore, and feel confident using Igbo.

This series also supports social and emotional development, helping children communicate feelings, build relationships, and understand their environment in both English and Igbo.

To parents, teachers, and caregivers, thank you for choosing to be intentional about your child's learning journey. Your role in keeping language and culture alive is powerful and priceless.

To every child using this book, have fun, be curious, and remember: learning a language is a gift you carry for life.

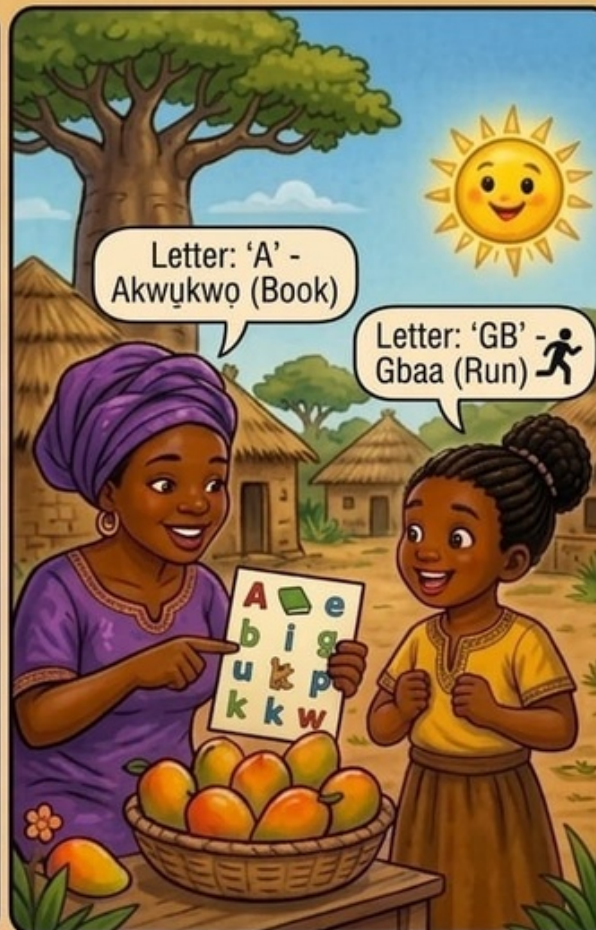

With love,

Ms Oma 💖
